# Sponsor Form

The Old Bridge Soccer League is one of Middlesex County's largest and oldest sports organizations. The League was founded in 1964 with the goal of teaching the children of Old Bridge the benefits of the game of soccer. Our consistent registration covering three seasons is approximately 750 Fall Players, 250 Winter Indoor Players and 550 Spring Players.

In order to continue the promotion of soccer in Old Bridge, we need your financial support. (Note: Your contribution may be tax deductible, please consult your tax advisor).
